

# Dogs welcome

As you know we welcome dogs at Church Farm. We believe that bringing our furry, 4-legged friends on holiday completes the full family getaway.

Please book dogs in for their stays, as there is an additional charge of £25 each per stay, with a maximum of 2 per property.

We are lucky in that so many of the local cafes/pubs are dog friendly ([Hartley Farm Shop and Kitchen](#) and [The Seven Stars](#) pub)

There are also some amazing walking routes to explore in the area.

- The Kennet and Avon Canal ( $\frac{3}{4}$  of a mile away)
- Country lanes from your doorstep
- Footpaths all around the area

Please note that many of the public footpaths have livestock in them, so dogs must be kept on leads, and dog poop must be picked up.

A few dog housekeeping points:

- Kept off furniture
- Never left on their own
- Dog mess is put in the non-recyclable bin
- Enjoy the holiday as much as their owners

Why taking your dog on holiday is a great idea:

- They'll make you more active
- You don't have to worry about dog-sitters
- They won't complain
- Places are becoming more and more dog-friendly
